SUMMARY COMMENTS ON SITE PLAN:

Land Use: The applicant is requesting approval of a Conditional Use Permit for the Govalle Tunnel Centralized Odor Control Facility, a project for Austin Water Utility. The proposed site plan is for excavation and revegetation to compensate for floodplain fill. Eleven existing driveways will be demolished and restored to vegetated area. The existing site consists of eleven lots which previously contained single family homes. The homes were demolished when the lots were purchased by the City of Austin for the purpose of airport noise mitigation.
